## INFRASTRUCTURE CONFERENCE AND INDUSTRY DINNER 2017

You are invited to attend the Britpave Infrastructure Conference and Industry Dinner 2017 which will be held on Thursday 19th October at the Warwick Hilton Hotel. Programme and booking details are below and overleaf. The conference will be preceded by the Britpave Annual General Meeting.

This year the Britpave infrastructure conference, 'A Current Perspective', will examine key issues, question supply delivery, highlight new research and new best practice guidance. In addition, there will be a focus on a major successful project that demonstrates the benefits of getting it right. The conference is preceded by lunch which offers a very convivial way to start proceedings.

The conference will be followed by the annual dinner which provides an excellent opportunity for business networking and socialising against a background of a four-course dinner and table magicians.

To register simply complete the booking form overleaf. Early booking is advisable as there are limited places available.

There are a limited number of exhibition spaces available (up to 3m x 2m) at £300 plus VAT each. This includes free conference entry for one delegate. Please note this special offer is for conference entry only.

**PLEASE NOTE: the Britpave infrastructure conference has been forwarded for 3.5 hrs CPD certification**
